Nothing to report

Treasurer Report:

Greg Schroeder reported that since the last meeting on 9/21/2009 the WSC had deposits of \$3,614.00 and \$1304.09 of expenditures. Most of all expenditures and income were related to Soccerfest. Total balance of WSC checking account increased by \$2,306.91. Ending balance as of 10/19/2009 was \$15,324.33.

Fundraising Report:

Jaime reviewed the Concession Stand - Drinks were a big success, good not so much. She has excess inventory and will be working to sell at cost to the Booster Club.

Fundraising inventory left on coffee. If a team is interested in selling what is left - the proceeds could go to that team for a future tournament.

Referee Report:

Kim reported good numbers for referees and we discussed two incidents with a parent coming onto the field of play and a problem with a coach. To the referees credit they handled the situation well. As a club we continue to need new referees. Push for new refs in the offseason.

Coaching Report:

Sam discussed that John Von Klopp would like to assist in our club. He is very interested in getting some offseason training going. Footskills and Coever Training. As a club, we will support any and all activity to add training time for our kids. We need specific plans. Bill is trying to set up a time with JVK to discuss more indepth what can be provided to our various teams.

Motion was made to close the meeting by Greg Schroeder and seconded by Greg Foltz.
